Dear Rag Doll Makers and Interested People

Thank you for your wonderful dolls, we have appreciated your support. The Rag Dolls 2 Love project will stop receiving and shipping dolls at the end of 2008. Your support and interest in this project and the love stitched into each doll has enriched the lives of over 35,000 children around the world.

There are many children in the world who have nothing to comfort them and who have been turned all too quickly into adults by war, being orphaned, being hungry, being alone or being in the path of a natural disaster. We encourage you to find an overseas orphanage or soldier who is willing to receive and distribute your dolls. Our soldiers welcome the dolls because it is a way the soldiers can interact with the children - whether in Iraq or Afghanistan.

Blessings,

Mary Page Jones and Ida Harris
